

**ORDINANCE NO. 55**

**AN ORDINANCE OF THE SAN BENITO COUNTY WATER DISTRICT  
ESTABLISHING WATER RATES AND CHARGES  
FOR ZONE 104 (FAIRVIEW ROAD WATER SYSTEM)**

**WHEREAS**, the San Benito County Water District (District) is vested with the power to do any and every lawful act necessary so that sufficient water may be available for any present or future beneficial use or uses on the lands or for the inhabitants within the District including the storage and distribution of water for domestic, fire protection and municipal uses; and

**WHEREAS**, the San Benito County Water District Board of Directors adopted a Resolution establishing Zone 104 and undertaking a project therein; and

**WHEREAS**, Resolution 2004-18, provides that “Rates and Charges to be assessed in said Zone for the purpose of operating, maintaining, extending, repairing, or otherwise improving the system, for service of water within said Zone and for debt repayment, shall be established by ordinance of this District subsequent to the adoption of this Resolution”; and

**WHEREAS**, the Board of Directors has determined that water rates and charges together with other revenue sources are sufficient to meet the estimated financial obligations of Zone 104 including, but not limited to, the cost of operation, maintenance, and repair of the Zone 104 facilities.

**WHEREAS**, the District mailed notices to all parcels upon which the charge is to be imposed setting forth the information required in Section 6 of Article XIII D of the California Constitution (Proposition 218) and notifying the owners thereof of a public hearing on April 9, 2014, to consider the charge; and

**WHEREAS**, after 45 days from the date said Notice was mailed, the Board conducted a public hearing on April 9, 2014, to determine whether or not the charge should be levied in Zone 104, and to consider the amount of any such charge; and

NOW, BE IT ORDAINED by the Board of Directors of the San Benito County Water District as follows:

1. Water Rates and Charges

In order to meet the forecasted financial obligations and costs of Zone 104, the rates for water service through the water system of Zone 104 (Fairview Road Water System) shall be established as follows:

Residential Service

Monthly Service Charge	Current Rate	May 9, 2014	Jan. 1, 2015	Jan. 1, 2016	Jan. 1, 2017	Jan 1, 2018	Unit of Measure
	\$109	\$155	\$161	\$161	\$167	\$175	per month per connection on water system

2. Findings:

The Board of Directors hereby finds and determines that:

- a) Revenues derived from the charge imposed herein do not exceed the funds required to pay for operation and maintenance costs associated with Zone 104 (Fairview Road Water System) customers, and shall not be used for any other purpose;
- b) The amount of the charge does not exceed the proportional cost of the service attributable to the parcel;
- c) The service for which the charge is imposed (see 1. above) is actually used by or is immediately available to the owner in question;
- d) The charge is not imposed for general governmental services.

3. Effective Date:

The above water rates shall be effective May 9, 2014. This Ordinance shall remain in full force and effect until changed by ordinance of the San Benito County Water District.
