BOARD OF DIRECTORS SAN BENITO COUNTY WATER DISTRICT

Agenda For March 29, 2023

Regular Meeting – 5:00 p.m. 30 Mansfield Road – Hollister, California 95023

Assistance for those with disabilities:

If you have a disability and need accommodation to participate in the meeting, please call Barbara Mauro, Board Clerk, at (831) 637-8218, 48 hours prior to meeting for assistance so the necessary arrangements can be made.

Effective at the April 27, 2022, The Board of Directors is now allowing the public to attend in person at all meetings of the San Benito County Water District Board. We will also continue to offer the meeting via Zoom as well. Regarding virtual participation, members of the public are instructed to be on mute during the proceedings and to speak only when public comment is allowed, after requesting and receiving recognition from the Board President.

If you plan to participate in the meeting and need assistance, please call Barbara Mauro, Board Clerk, at (831) 637-8218, 48 hours prior to meeting.

CALL TO ORDER

- a. Pledge of Allegiance to the Flag
- b. Roll Call
- c. Speakers will be limited to 5 minutes to address the Board; rebuttal will be limited to 3 minutes; no new business agenda items will be heard after 8:00 p.m.
- d. Approval of Agenda
- e. Public Input: Members of the Public are Invited to Speak on any Matter not on the Agenda

CONSENT AGENDA:

(Consent items shall be considered as a whole and without discussion unless a particular item is removed from the consent agenda. Board member may discuss individual items or seek information from staff or legal counsel without removing the item from the Consent Agenda. A member of the public should seek recognition by the President if comment is desired. Approval of consent items shall be made by one motion.)

- 1. Approval of Minutes for: February 22, 2023 Regular Meeting
- 2. Allowance of Claims
- 3. Acknowledgement of Paid Claims prior to the March Board Meeting
- 4. On Call Contracts Status Updates

REGULAR AGENDA

- 5. Groundwater Sustainability Plan Annual Report 2022
 - a. Presentation of Report
 - b. Consider Acceptance of Groundwater Sustainability Plan Annual Report 2022
- 6. Consider Resolution Setting Forth its Intentions Regarding Percolation of San Felipe Project Water for Water Contract Year 2023-2024
- 7. Consider Extending the Contract for one year (Fiscal Year 2022-2023) with McGilloway, Ray, Brown, & Kaufman for auditing services
- 8. Consider Approval of Revised Organization Chart and Updated Salary Schedules
- 9. Consider Authorizing Director Attendance at the 2023 ACWA/JPIA's Board of Directors' Meeting on May 8, 2023, Monterey, California
- 10. Consider General Manager/Designee and Director Attendance at the ACWA Spring Conference May 9-11, 2023 in Monterey, California
- 11. Committee/Agency Representative Reports:
 - a. San Luis Delta Mendota Water Authority (Tonascia/Wittry)
 - b. Finance Committee (Tonascia/Wright)
 - c. Personnel Committee (Flores/Tonascia)
 - d. City of San Juan Bautista Water Infrastructure Ad Hoc Committee (Tonascia/Flores)
- 12. Monthly Operations and Maintenance Report

13. General Manager's Report:

- a) General Comments
- b) Reach 1 Operations
- c) Zone 3 Operations
- d) Zone 6 Operations
- e) San Luis Delta Mendota Water Authority Activities
- f) Pacheco Reservoir Expansion Project
- g) City of San Juan Bautista Water Supply Plan
- 14. **CLOSED SESSION:** Conference with Labor Negotiator

Pursuant to Government Code Section 54957.6

Agency Negotiator: Steve Wittry, General Manager

Employee Organization: SEIU 521 Office and Field Employees

Unit

15. **CLOSED SESSION:** Conference with Labor Negotiator

Pursuant to Government Code Section 54957.6

Agency Negotiator: Steve Wittry, General Manager

Unrepresented Employees:

Management/Confidential/Professional Employees: Accountant, Assistant Engineer, Associate Engineer, Deputy District Engineer, Finance Manager, Human Resources/Administrative Assistant, Operations and Maintenance Manager, Senior Engineer, Supervising Accountant, Water Conservation Program Manager

16. **OPEN SESSION:**

Report any action, if any, from Closed Session

17. Adjournment

Adjournment - Unless there is a special meeting prior to that time, the next regular meeting of the Board will be Wednesday, April 26, 2023. Meetings are held at the District office, 30 Mansfield Road, Hollister, California. LAST DAY TO FILE CLAIMS against the District is the second Friday of each month, except in November and December. Usually meeting dates change in those months because of holidays. The Board may hold a closed session to discuss personnel matters, litigation or employee negotiations as authorized by the Ralph M. Brown Act, Evidence Code #950-962 or other appropriate State law.

All public records relating to an agenda item on this agenda are available for public inspection at the time the record is distributed to all, or a majority of all, members of the Board. Such records shall be available at the District office located at 30 Mansfield Road, Hollister, California.

February 22, 2023 Regular Meeting 5:02 p.m.

The Board of Directors of the San Benito County Water District convened in regular session on Wednesday, February 22, 2023 at 5:02 p.m. at the San Benito County Water District office at 30 Mansfield Road, Hollister, California. Members present were: President Sonny Flores, Vice President Andrew Shelton and Directors Joe Tonascia, Doug Williams and Mark Wright. Also present were General Manager Steve Wittry, District Counsel Jeremy T. Liem, Manager of Administration, Finance and Business Services Joyce Machado, Associate Engineer David Macdonald, Operations and Maintenance Supervisor Michael Craig, Office Specialist III Cindy Paine, Office Specialist II Athina Frederico and Board Clerk/Office Specialist III Barbara Mauro.

CALL TO ORDER

President Flores called the meeting to order at 5:02 p.m.

a. Pledge of Allegiance to the Flag

President Flores led the Pledge of Allegiance.

b. Roll Call

Mrs. Mauro called roll; members present were: President Flores, Vice President Shelton and Directors Tonascia, Williams and Wright.

- c. Speakers will be limited to 5 minutes to address the Board; rebuttal will be limited to 3 minutes; no new business agenda items will be heard after 8:00 p.m.
- d. Approval of Agenda

President Flores stated he wished to table agenda item #8. Noting the removal of item number 8, a motion was made by Director Tonascia and seconded by Director Wright, the Agenda was approved by 5 affirmative votes, Flores, Shelton, Tonascia, Williams and Wright.

e. Public Input: Members of the Public are Invited to Speak on any Matter not on the Agenda

Employees of San Benito County Elections office made a brief presentation to the Board regarding the Election Administration Plan. There will be 3 public workshops to review it.

CONSENT AGENDA:

- 1. Approval of Minutes for: January 25, 2023 Regular Meeting
- 2. Allowance of Claims
- 3. Acknowledgement of Paid Claims prior to the February Board Meeting
- 4. On Call Contracts Status Updates

With a motion by Director Williams and a second by Vice President Shelton, the Consent Agenda was approved by 5 affirmative votes, Flores, Shelton, Tonascia, Williams and Wright.

REGULAR AGENDA

5. FYE 2022 Annual Comprehensive Financial Report and Audit

Mrs. Machado introduced Patricia Kaufman from McGilloway, Ray, Brown & Kaufman.

a. Presentation by McGilloway, Ray, Brown & Kaufman

Ms. Kaufman stated the report, once final, will then be submitted to the GFOA by staff. She mentioned she previously met with the Finance Committee, via Zoom, to present the draft report. Ms. Kaufman stated the audit is receiving an unmodified opinion and there was not a need for a management letter. The District did receive the Certificate of Excellence from the GFOA for the 2020 Audit. Expectations are that the District will receive the award for the 2021, but GFOA is behind in their review process.

Regarding the Net Position, Ms. Kaufman reports the receivables were up while the liabilities are down. The reduction in the liabilities is due in part to the approximate \$3 million contribution the District made to the OPEB Trust. Ms. Kaufman stated the revenues are down, \$2.8 million which was attributed to the lack of a water allocation and that the Lessalt Water Treatment Plant was not operating.

Communications with management were good, per Ms. Kaufman. Controls and policies were all in place and the District staff did a great job. No difficulties were encountered, and all work came in timely, accurately and according to schedule.

Director Tonascia thanked Ms. Kaufman and the District staff for their work on the audit.

Richard Bettencourt, a member of the audience, asked how long the process took. Ms. Kaufman stated about four weeks. Mrs. Machado added, the audit is a culmination of five to six months of District's staff time. She further thanked Mr. Wittry, District staff including the water office and accounting staff, particularly Cindy Paine and Athina Frederico for all their extra efforts on the audit.

b. Consider Acceptance and Authorize Distribution

With a motion by Director Tonascia and a second by Director Williams, the Board of Directors by 5 affirmative votes, Flores, Shelton, Tonascia, Williams and Wright, accepted the FYE 2022 Annual Comprehensive Financial Report and Audit and authorized distribution.

6. Consider Resolution Adopting the 2022 San Benito County Multi-Jurisdictional Hazard Mitigation Plan

Mr. Wittry reviewed this item for the Board. Involved in this plan was the City of Hollister, the City of San Juan Bautista, San Benito County, Sunnyslope County Water District and San Benito County Water District. The consultant who prepared this document was paid through a grant from Cal OES and FEMA. The full document is

more than 1000 pages, so it is on our website for the public to review. The Board action is approval of the resolution that adopts the 2022 San Benito County Multi—Jurisdictional Hazard Plan.

With a motion by Director Tonascia and a second by Vice President Shelton, the Board of Directors approved Resolution #2023-09, A Resolution of the Board of Directors of the San Benito County Water District Adopting the 2022 San Benito County Multi-Jurisdictional Hazard Mitigation Plan by 5 affirmative votes, Flores, Shelton, Tonascia, Williams and Wright.

7. Consider Authorizing the General Manager Execute a Contract with Todd Groundwater to Prepare Specialized Design and Environmental/Permit Support Associated with the Accelerated Drought Response Project (ADRoP) (NTE \$234,400)

Mr. Wittry stated this is the next step following the Board's approval of the HDR Contract, as this contract is for specialized work that Todd Groundwater can perform.

With a motion by Director Williams and a second by Director Wright, the Board of Directors Authorized the General Manager to Execute a Contract with Todd Groundwater to Prepare Specialized Design and Environmental/Permit Support Associated with the Accelerated Drought Response Project (ADRoP) (NTE \$234,400) by 5 affirmative votes, Flores, Shelton, Tonascia, Williams and Wright.

- 8. Consider Appointing Barbara Mauro as Secretary of the Board of Directors (This item was tabled when the agenda was approved)
- 9. Discuss and Consider Authorization to Increase Contract Purchase Order (P.O. #8037) to CSI Services by \$15,784 for Inspection Services for the Industrial Paint Project (NTE \$80,784)

Mr. Macdonald explained the extension for this contract was mostly due to the weather, which slowed the progress of the painting contractor, this in turn, increased the cost of the inspection services. Discussion ensued about how the special paint needed for our infrastructure cannot cure in wet weather.

Director Tonascia asked why there is an increase. Mr. Wittry stated mobilization took longer and the inspection company had to be available on stand-by to accommodate the painting contractor's work. Mr. Macdonald further stated because the paint wasn't curing, due to weather, which increased the inspection work performed by CSI. Mr. Wittry stated this is specialized work and he further stated the District experienced a problem with a painting job previously. That is the reason for having inspection services.

Director Tonascia asked what the District would do if this paint were to fail. Mr. Wittry stated this project has a warranty. Mr. Wittry further stated our staff, when preparing the RFP, under-estimated the inspection time that was needed. Discussion ensued about why this came to the board three times. President Flores asked if this is the final amount needed and Mr. Macdonald stated yes, it is.

Mr. Craig added this is the end of Phase 1 and there are 3 Phases.

Director Tonascia asked why District staff didn't do the job. President Flores asked if this painting job included remediation of lead-based paint, which staff confirmed. Vice President Shelton asked if 1 employee could do this. Mr. Wittry stated no they could not.

Mr. Craig stated lead samples were taken first and at some locations, the prep done for painting caused some leaks, which the District staff had to repair.

Director Wright asked what changed from the initial bid to cause the increases. Mr. Wittry stated staff underestimated the number of hours needed for inspection and this caused the shortfall.

President Flores stated it is in the best interest of the District to finish the project.

With no further discussion, a motion was made by Vice President Shelton and seconded by Director Wright; the Board of Directors Authorized the Increased Contract Purchase Order (P.O. #8037) to CSI Services by \$15,784 for Inspection Services for the Industrial Paint Project (NTE \$80,784) by 5 affirmative votes, Flores, Shelton, Tonascia, Williams and Wright.

10. Committee/Agency Representative Reports:

- a. San Luis Delta Mendota Water Authority (Tonascia/Wittry)

 As per Director Tonascia, members discussed the snowpack being good and that the Shasta/Trinity area didn't have record snowfall.
- b. Pajaro River Watershed Flood Prevention Authority (Flores/Shelton)
 As per Director Flores, the meeting was cancelled for lack of a quorum.
- c. Mid Pacific Water Users Conference, Reno, Nevada January 25-27, 2023 (Tonascia)

As per Director Tonascia, there was a large turnout for the conference. While everyone was happy with the snowpack, Shasta is still low and Klamath had no snowpack. There was some discussion about better public information being made available, including telling the public it is also a regulatory drought. With more rain coming in January, they are hopeful for more water coming through the Delta.

d. Water Resources Association (Flores/Shelton)

As per Director Flores, the Association held its annual business meeting and discussed continuing to work on grant funds for the turf removal program.

e. Finance Committee (Tonascia/Wright)

As per Directors Tonascia and Wright, this has already been covered.

f. Personnel Committee (Flores/Tonascia)

As per Directors Flores and Tonascia, the committee discussed the org chart and the open position.

g. Recycled Water Committee (Flores/Shelton)

As per Director Shelton, the committee discussed the preparations for the Site Supervisor Meeting, required as a recycled water user.

11. Monthly Operations and Maintenance Report

Mr. Craig shared several photos. The first was a photo from the Highway 156 widening project. The next two photos were of the damage to the access road at Hernandez Reservoir. Mr. Craig stated staff will need to wait for better weather to repair the culverts. The last photo was of staff cleaning the recycled water pond. This process is approximately 60% complete. Mr. Craig further reported Paicines Reservoir is at 580 AF and it can hold 3300 AF. Hernandez holds 18,000 AF and is full and still spilling.

12. General Manager's Report:

a) General Comments

Mr. Wittry reported the initial water allocation is 35% for Ag customers and 75% of historical use for M & I customers. Staff will be mailing out contracts in the next few days.

Recycled Water, Site Supervisor Training is tomorrow. The District is in the process of obtaining it's own permit (currently using the City of Hollister's) but that will likely be next year. The District will be implementing a new policy regarding following the rules and penalizing those who violate the rules. For now, there won't be a penalty, but Mr. Wittry wanted directors to be aware of the new policy, in case they receive any calls.

Director Wright asked if there was going to be any course of action this year for violations? Mr. Wittry stated no, just warnings. When the District has the new permit, Mr. Wittry stated the District will be responsible for all violations. Director Tonascia added this is a good idea. Also to be discussed at the meeting will be scheduling of the recycled water, as we have had delivery pressure issues in the past.

Director Tonascia asked what the M & I allocation was; Mr. Wittry stated it is 75% of historical use.

Director Wright asked when Sub 10 will return to operation; Mr. Wittry stated the anticipation is the end of May.

b) Reach 1 Operations

Mr. Wittry reported Bifurcation is due to be back on by March 6th, per Santa Clara Valley Water District.

c) Zone 3 Operations

Mr. Wittry reported District staff is working with ELC on a solution to have some kind of video feed from Hernandez Reservoir.

d) Zone 6 Operations

Mr. Wittry reported the construction on Highway 156 that involved our infrastructure, should be complete in late April or early May, depending on weather.

e)	San	Luis	Delta	Mendota	Authority	Activities
----	-----	------	-------	---------	-----------	------------

Mr. Wittry reported the discussion at the Authority had been the OM&R cost allocation. The Authority had only anticipated a 10% allocation.

f) Pacheco Reservoir Expansion Project

Mr. Wittry reported their scientific work has been delayed due to the weather.

g) City of San Juan Bautista Water Supply Plan

Mr. Wittry and Mrs. Machado met with the City of San Juan Bautista. It was a successful meeting and District staff is looking forward to receiving their comments on the draft agreements.

13. Adjournment

With no further business to discuss, the meeting was adjourned at 6:25 p.m.

	Sonny Flores, President
Barbara L. Mauro, Board Clerk

San Benito County Water District Agenda Transmittal

Agenda Item:									
Meeting Date: March 29, 2023									
Submitted By: Joyce Machado									
Presented By: Joyce Machado									
Agenda Title: Consider Extending the Contract for one year (Fiscal Year 2022-2023) with McGilloway, Ray, Brown, & Kaufman for auditing services									
Description:									
In January 2020, the District executed a contract with McGilloway, Ray, Brown & Kaufman for financial statement auditing services. The contract and the auditor's engagement letter covered fiscal years 2020, 2021, and 2022. The GFOA's best practices state the benefit an agency gains from having the same auditing firm, as both sides are familiar with the unique transactions of that entity. GFOA does recommend periodically going through the RFP process to compare auditors.									
Per California Government Code section 12410.6, "a local agency shall not employ a public accounting firm to provide audit services to a local agency if the lead audit partner or coordinating audit partner having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that local agency for six consecutive years." The restriction requires the District to employ a public accounting firm with a different lead audit partner after the sixth consecutive year. Within these constraints, the District has the opportunity to utilize the existing auditor for one additional year.

San Benito County Water District Attn: Steve Wittry, General Manager 30 Mansfield Road Hollister, CA 95024

GAAP Audit Engagement Letter

To the Board of Directors and Steve Wittry, General Manager,

We are pleased to confirm our understanding of the services we are to provide San Benito County Water District for the year ended June 30, 2023.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, and the disclosures, which collectively comprise the basic financial statements of San Benito County Water District as of and for the year ended June 30, 2023. Accounting standards generally accepted in the United States of America (GAAS) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement San Benito County Water District's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to San Benito County Water District's RSI in accordance with GAAS. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. generally accepted accounting principles (GAAP) and will be subjected to certain limited procedures, but will not be audited:

- 1. Management's Discussion and Analysis
- 2. Schedule of the District's Retirement Plan's Proportionate Share of Net Pension Liability and Related Ratios
- 3. Schedule of the District's Pension Plan Contributions
- 4. Schedule of Changes in the District's Net OPEB Liability and Related Ratios

Gerald Ray, CPA | Patricia Kaufman, CPA, CGMA | Smriti Shrestha, CPA

5. Schedule of the District's OPEB Contributions

We have also been engaged to report on supplementary information other than RSI that accompanies San Benito County Water District's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements:

- 1. Schedule of Net Position by Zone
- 2. Schedule of Revenues, Expenses and Changes in Net Position by Zone

The objectives of our audit are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in accordance with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material

San Benito County Water District March 16, 2023 Page 3 of 9

effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, direct confirmation of receivables and certain assets and liabilities by correspondence with selected customers, creditors, and financial institutions. We may request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry.

Audit Procedures: Internal Control

We will obtain an understanding of the government and its environment, including internal control relevant to the audit, sufficient to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under the American Institute of Certified Public Accountants' (AICPA) professional standards.

We have identified the following significant risks of material misstatement as part of our audit planning.

- 1. Improper revenue recognition due to fraud.
- 2. Fraud risk regarding cash collection at the District Office for water bill payments.

Audit Procedures: Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of San Benito County Water District's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

San Benito County Water District March 16, 2023 Page 4 of 9

Other Services

We will also prepare the financial statements of San Benito County Water District in conformity with accounting principles generally accepted in the United States of America based on information provided by you.

The other services are limited to the financial statement services as previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America.

Management is responsible for making drafts of financial statements, all financial records and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws and regulations.

You are responsible for the preparation of the supplementary information in conformity with accounting principles generally accepted in the United States of America. You agree to include our report on the

San Benito County Water District March 16, 2023 Page 5 of 9

supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

You agree to assume all management responsibilities for the financial statement preparation services and any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

With regard to publishing the financial statements on your website, you understand that websites are a means of distributing information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information on the website with the original document.

You agree to assume all management responsibilities for financial statement preparation services and any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

In connection with this engagement, we may communicate with you or others via email transmission. As emails can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed and only to such parties, we cannot guarantee or warrant that emails from us will be properly delivered and read only by the addressee. Therefore, we specifically disclaim and waive any liability or responsibility whatsoever for interception or unintentional disclosure of emails transmitted by us in connection with the performance of this engagement. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of email transmissions, including any consequential, incidental, direct, indirect, or special damages, such as loss of revenues or anticipated profits, or disclosure or communication of confidential or proprietary information.

Hiring of Employees

We have a significant investment in the training and development of our staff, and they are valued employees of McGilloway, Ray, Brown & Kaufman. If you should hire one of our shareholders, managers, or professional employees either during the audit or within one year after the completion of this engagement, you agree to pay a personnel placement fee of 100% of their annual salary to compensate McGilloway, Ray, Brown & Kaufman.

San Benito County Water District March 16, 2023 Page 6 of 9

Management also has the responsibility to ensure that they have not caused McGilloway, Ray, Brown & Kaufman's independence to be impaired by hiring a former or current McGilloway, Ray, Brown & Kaufman shareholder, manager, or professional employee in a key position, as defined in the Code of Professional Conduct of the AICPA, that could cause a violation of the AICPA Code of Professional Conduct or other applicable independence rules. Any offer of employment to members of the team prior to issuance of our report may impair our independence, and may result in our inability to complete the engagement and issue a report.

Engagement Administration, Fees, and Other

You may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with you regarding the scope of the additional services and the estimated fees. We also may issue a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

We will not undertake any accounting services (including but not limited to reconciliation of accounts and preparation of requested schedules) without obtaining approval through a written change order or additional engagement letter for such additional work.

The audit documentation for this engagement is the property of McGilloway, Ray, Brown & Kaufman and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to a regulator or its designee. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of McGilloway, Ray, Brown & Kaufman personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the regulator or its designee. The regulator may intend or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

Our firm subscribes to the AICPA Peer Review program, mandated by the California Board of Accountancy for all California licensed firms. As part of that program this engagement could be selected for review. If selected, we will retain the strictest confidentiality rules.

Patricia Kaufman is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

San Benito County Water District March 16, 2023 Page 7 of 9

We estimate that our fees for these services will be as follows:

Schedule of Fees for the Year Ended June 30,	2023
Audit	\$ 27,500
Out of Pocket Expenses	600
Additional Services - Drafting	4,400
Report - Bound Copies (12)	 300
Total:	\$ 32,800

Currently, our rates range from \$100 per hour for clerical to \$400 per hour for partners. You will receive the final audited financial statements in one bound copy as well as an electronic (PDF) version. If you would like additional bound copy versions printed for you, the charge will be \$25 per copy.

Implementation of Governmental Accounting Standards Board 96, Subscription Based Information Technology Arrangements (SBITA) is effective for governmental entities for years beginning after June 15, 2022. It is mandatory for governmental entities that prepare financial statements in accordance with Generally Accepted Accounting Principles (GAAP) to fully implement these requirements, that establishes that an SBITA could result in a right-to-use subscription asset (an intangible asset) and a corresponding subscription liability. Assistance necessary for the implementation of GASB 96 will be billed separately at our standard billing rate in effect at the time services are rendered.

The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. The fee estimate will be subject to adjustments based on unanticipated changes in the scope of our work and/or the incomplete and untimely receipt by us of the information on the client request list such as:

- 1. Timely responses to our inquiries
- 2. Timely completion and delivery of client assistance requests
- 3. Timely communication of all significant accounting and financial reporting matters
- 4. The assumption that unexpected circumstances will not be encountered during the engagement
- 5. Material changes in current or prior period financial reporting
- 6. Multiple adjustments to the financial statements
- 7. Accounting assistance outside the scope of the audit (e.g., researching accounting topics, assistance with other accounting matters, etc.)

These fees shall be in addition to the above quoted fee for audit services. All billings for additional audit fees or services will be billed as these services are provided at our standard billing rate in effect at the time services are rendered.

Accounts past due over 30 days are considered delinquent and will be subject to an annual finance charge of twelve percent (12%), or a monthly rate of one percent (1%). There will be a minimum finance charge of \$1.00. Payments received on account will first be credited against any delinquency charges. Further, we will cease performing services on delinquent accounts if the account becomes 60 days or more overdue and services will not be resumed until your account is paid in full. All expenses incurred to collect past due accounts, including collection fees will be added to any amount due. If we elect to terminate our

San Benito County Water District March 16, 2023 Page 8 of 9

services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

If any dispute arises among the parties, they agree to try first in good faith to settle the dispute by mediation administered by the American Arbitration Association (AAA) under its Commercial Mediation Rules. All unresolved disputes shall then be decided by final and binding arbitration in accordance with the Commercial Arbitration Rules of the AAA. Fees charged by any mediators, arbitrators, or the AAA shall be shared equally by all parties. In agreeing to arbitration, we both acknowledge that in the event of a dispute, each of us is giving up the right to have the dispute decided in a court of law before a judge or jury and instead we are accepting the use of arbitration for resolution.

You agree to hold us harmless and to release, indemnify, and defend us from any liability or costs, including attorney's fees, resulting from management's knowing misrepresentation to us.

Our audit engagement ends on delivery of our audit report and prepared financial statements. Any followup services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

Reporting

We will issue a written report upon completion of our audit of San Benito County Water District's financial statements. Our report will be addressed to the Board of Directors of San Benito County District. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or withdraw from this engagement.

If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significate risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

We appreciate the opportunity to be of service to San Benito County Water District and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

San Benito County	Water	District

SAN BENITO COUNTY WATER DISTRICT RECLASSIFICATION STUDY/SALARY SCHEDULES FINANCE DEPARTMENT

Board Meeting 3.29.23

Agenda Item #8

Background:

The District requested a classification review for two positions within the Finance Department, Office Specialist III and Office Specialist II due to different duties assigned to the positions. The classification review was conducted by Bryce Consulting.

Based on the classification review, because both Finance Department positions are focused on accounting functions as opposed to general administrative support activities, the consultant found that the Office Specialist series does not reflect the work being performed by either position and does not reflect the level of financial training and education required to perform the accounting functions.

The consultant found that duties performed by Office Specialist III are professional in nature that would normally require a bachelor's degree, and that this position should be reclassified as an Accountant II. The consultant further recommended that the current Accountant classification, which is contained in the District's Management, Confidential and Professional (MCP) employee group, be split into two classifications of Accountant I and II, in order to provide the District with flexibility in hiring at either the entry or journey level and provide career growth opportunities for Finance Department staff.

The consultant further recommended that a new classification of Accounting Technician be created and that the salary be benchmarked to 10% below Accountant I. It is recommended that the Office Specialist II position to be reclassified as an Accounting Technician.

Reclassification:

Effective the pay period following approval by the District Board of Directors:

1. The position currently held in the Finance Department as Office Specialist III and currently paid at Step G (\$4,885 per month), will be reclassified as an Accountant II, and placed at Step A (\$5,637 per month). SAN BENITO COUNTY WATER DISTRICT SALARY SCHEDULE HUMAN RESOURCES/ADMINISTRATIVE ANALYST

Board Meeting 3.29.23

Agenda Item #8

Background:

The District requested a comprehensive compensation study for the Human Resources/Administrative Analyst position, conducted by Bryce Consulting. The compensation survey results were then discussed with the Personnel Committee on February 9th and March 9th, resulting in a proposed update to the salary schedule for this position that reflects a salary scale set to the current labor market.

Proposed Salary Scale:

Effective the pay period following approval by the District Board of Directors, the proposed hourly scale for the Human Resources/Administrative Analyst position is as follows:

Proposed Scale	Current Scale
STEP A: \$35.67	Step A: \$20.18
STEP B: \$37.10	Step B: \$20.98
STEP C: \$38.58	Step C: \$21.82
STEP D: \$40.13	Step D: \$22.69
STEP E: \$41.74	Step E: \$23.60
STEP F: \$43.41	Step F: \$24.54
STEP G: \$45.15	Step G: \$25.53
STEP H: \$46.96	Step H: \$26.55

San Benito County Water District

ACCOUNTANT I/II

DEFINITION

To perform a variety of professional accounting duties related to preparing the District for fiscal year-end and annual audit, preparing and monitoring the budget, performing month-end general ledger duties, and evaluating and reporting the District's financial status to management and the Board of Directors; to review fiscal records, and monitor financial transactions in accordance with prescribed accounting systems and generally accepted principles of accounting and auditing.

DISTINGUISHING CHARACTERISTICS

Accountant 1:

This is the entry level class in the Accountant series. This class is distinguished from the journey level by the performance of the more routine tasks and duties assigned to positions within this series. Employees at this level are not expected to perform with the same independence of direction and judgment on matters allocated to the journey level. Since this class is typically used as a training class, employees may have only limited or no directly related work experience. Employees work under general supervision while learning job tasks.

Accountant II:

This is the journey level class within the Accountant series and is distinguished from the I level by the assignment of the full range of duties. Employees at this level receive only occasional instruction or assistance as new, unusual or unique situations arise and are fully aware of the operating procedures and policies within the work unit. Positions in this class are flexibly staffed and are normally filled by advancement from the I level.

ESSENTIAL FUNCTIONS

- Perform bank reconciliations; identify and correct any differences; post interest, analysis fees, gains and losses and other adjustments; maintain accurate balance sheet for each District account.
- Participate in the posting, balancing and reconciliation of the general ledger and subsidiary accounts; calculate costs for each cost center; review and post journal entries and reconcile related revenue; analyze and review accrued/deferred assets and liabilities.
- Support the preparation of the annual budget including the development of timeline and materials and development of budget estimates; review, upload and consolidate department budgets; prepare budget presentation and binders; and ensure operating and capital budgets are placed on District's website.
- Develop budget recommendations for review including water sales, power charges, delinquency charges, well permit fees, and property tax revenue.
- Manage general ledger accounts including the preparation and posting of journal entries and reclassification of entries; prepare billing to outside agencies; maintain accurate records and supporting documents.

- Assist in the preparation of various financial reports including, but not limited to, the Board
 of Directors' quarterly report, investment reports, and budget to actual reports; review,
 reconcile journal entries; coordinate audits with external auditors and other governmental
 agencies.
- Examine accounting transactions to ensure accuracy; correct financial records as necessary; analyze, verify, and prepare various financial reports and statements; assist in monitoring various accounts and verify availability of funds and accurate coding and classification of revenues and expenditures; research and analyze transactions to resolve problems.
- Recommend or implement changes in accounting systems and procedures; participate in operating a variety of automated office and computerized financial information systems and test various budgetary accounting programs.
- Answer questions and provide information to the public and District departments; research requested information and make recommendations appropriate to resolving inquiries and/or complaints.
- Build and maintain positive working relationships with co-workers, other District employees and the public using principles of good customer service.
- Perform related duties as assigned.

JOB STANDARDS/SPECIFICATIONS

Accountant I

Knowledge of:

- Principles and practices of generally accepted accounting practices including generally accepted accounting principles, Governmental Accounting Standards Board standards, and grant guidelines.
- Principles and practices of analytical research.
- Customer service principles and problem resolution techniques.
- Modern office equipment and methods including use of computer applications in word processing, spreadsheet, database, and graphic presentation.

Ability to:

- Learn to apply accounting principles to accounting transactions and financial reports.
- Learn to use automated financial management systems.
- Learn governmental accounting principles and practices, including fund accounting. Learn applicable local, State, and Federal laws, rules and regulations, especially as related to accounting and auditing.
- Examine and verify a wide variety of financial documents and reports.
- Prepare a variety of financial statements, reports, and analyses. Use a variety of personal computer applications in word processing, spreadsheet, database, and graphic presentation.
- Communicate clearly and concisely, both orally and in writing.
- Establish and maintain effective working relationships with those contacted in the course of work.

Accountant II

In addition to the qualifications for the Accountant I:

Knowledge of:

- Principles and practices of governmental accounting, auditing, and financial reporting including generally accepted accounting principles, Governmental Accounting Standards Board standards, and grant guidelines.
- Pertinent local, State and Federal laws, rules and regulations, especially as related to accounting, auditing, and grants.

Ability to:

- Independently apply accounting principles to accounting transactions and financial reports.
- Use automated office and computerized financial information systems.
- Monitor accounting activities relative to compliance with local, State, and federal requirements and professional standards.
- Assist in the review and implementation of new Governmental Accounting Standard Boards Standards.
- Understand and ensure proper use of governmental accounting principles and practices, including fund accounting.
- Review and ensure compliance with applicable local, State, and Federal laws, rules and regulations, especially as related to accounting and auditing.

TYPICAL PHYSICAL ACTIVITIES

Accountant I/II/:

- Drives a vehicle.
- Work at a desk for an extended period of time.
- Work in an office environment, lift and move objects up to 15 pounds such as large
- binders, books, and small office equipment.
- Sufficient finger/hand coordination and dexterity to operate and adjust office equipment.
- Regularly uses a telephone for communication.
- Use office equipment such as computers, copiers, and FAX machines.
- Sits for extended time periods.
- Hearing and vision within normal ranges with or without correction.

ENVIRONMENTAL FACTORS

Accountant I/II:

- Exposure to the sun: 10% or less work time spent outside a building and exposed to the
- Irregular or extended work hours: Occasionally required to change working hours or work overtime.

DESIRABLE QUALIFICATIONS

Accountant I:

Any combination of education and experience that would likely provide the necessary

knowledge and abilities is qualifying: A typical way to obtain the knowledge and abilities would be:

• A Bachelor's degree from an accredited college or university with major coursework in accounting, finance or a related field.

Accountant II:

In addition to the Desirable Qualifications for the Accountant I:

 A Bachelor's degree from an accredited college or university with major coursework in accounting, finance or a related field and two years of experience as an Accountant I with the District.

LICENSE CERTIFICATE REGISTRATION REQUIREMENT

Accountant I/II:

- Possession of a valid California Class C Driver License may be required at the time of appointment and a driving record acceptable to the District's automobile insurance provider. Failure to obtain or maintain such required license(s) may be cause for disciplinary action. Individuals who do not meet this requirement due to a physical disability will be considered for accommodation on a case-by-case basis.
- Obtain and maintain defensive drivers training certification (training provided by the District).
- Obtain and maintain CPR and First Aid training certification (training provided by the District).

San Benito County Water District

ACCOUNTING TECHNICIAN

DEFINITION

To perform a variety of routine to specialized technical accounting duties involving the recording, tracking, maintaining, posting and balancing of the District's financial obligations and accounts; to function as a liaison between the Finance Department, citizens, and other District departments by answering questions and solving complicated and/or sensitive problems; and to perform a variety of technical tasks relative to assigned area of responsibility.

DISTINGUISHING CHARACTERISTICS

This is a single level class where employees within this class perform the full range of technical accounting duties. Employees at this level receive only occasional instruction or assistance as new or unusual situations arise and are fully aware of the operating procedures and policies of the work unit.

ESSENTIAL FUNCTIONS

- Perform specialized and detailed work in the review and processing of various financial records and related materials; ensure the integrity of data and information related to area of assignment which may include cash management, and/or accounts payable/receivable.
- Analyze and track District contracts by updating contract budget to actuals and providing reports and status updates to management.
- Organize and verify required documentation and management authorization for accounts payables; determine and/or verify correct posting of account codes, cost center, account number, subaccounts, State Controller codes and department.
- Process accounts payable including data entry of invoices with required supporting schedules and statement reconciliations, processing payables reports, and printing and distributing checks upon Board of Directors approval of claims.
- Record bank deposits, wire transfers and bank transfer activity and balance cash transactions for District accounts.
- Analyze and reconcile a variety of journals, accounts, reports and records; prepare, process, and maintain accounting system records, and transactions.
- Maintain District contracts, update vendor contract budget to actual worksheets, and track purchase orders.
- Prepare outside agency invoices for use of the District's treatment plant; compile data to record and track direct costs and loan principal and interest obligations.
- Balance financial information system controls; balance and post financial transactions to ledgers and sub-ledgers and reconcile to the accounting system; and balance various other financial transactions with source documents and controls.
- Prepare, compile, tabulate and maintain data and complex documents; assist with preparing technical financial, statistical and operational reports, statements and records.
- Respond to inquiries from the public in person, by telephone, and/or in writing, regarding areas of responsibility and initiate appropriate action to resolve problems.

- Research and answer employee and District departments' inquiries regarding the status of accounts and payments, including proper transaction coding and related matters.
- Develop schedules and methods to accomplish assignments ensuring work is completed in a timely and efficient manner, as assigned.
- Build and maintain positive working relationships with co-workers, other District employees and the public using principles of good customer service.
- Perform related duties as assigned.

JOB STANDARDS/SPECIFICATIONS

Knowledge of:

- Practices, methods, and terminology used in financial and statistical record keeping.
- Principles and practices of routine analytical research.
- Customer service principles and problem resolution techniques.
- Modern office practices and procedures, computer equipment and software applications related to financial accounting.
- Business letter writing and report preparation.

Ability to:

- Perform difficult and responsible technical work involving financial and related statistical record keeping.
- Research and compile technical and financial information.
- Prepare, process, review, and check submitted accounting and financial documents, records, and forms for accuracy, completeness and conformance to applicable policies, rules, and regulations.
- Make accurate mathematical calculations.
- Use a variety of personal computer applications in word processing, spreadsheet, database, and graphic presentation.
- Communicate clearly and concisely, both orally and in writing.
- Establish and maintain effective working relationships with those contacted in the course of work.

TYPICAL PHYSICAL ACTIVITIES

- Drives a vehicle.
- Work at a desk for an extended period of time.
- Work in an office environment, lift and move objects up to 15 pounds such as large
- binders, books, and small office equipment.
- Sufficient finger/hand coordination and dexterity to operate and adjust office equipment.
- Regularly uses a telephone for communication.
- Use office equipment such as computers, copiers, and FAX machines.
- Sits for extended time periods.
- Hearing and vision within normal ranges with or without correction.

ENVIRONMENTAL FACTORS

• Exposure to the sun: 10% or less work time spent outside a building and exposed to the

sun.

• Irregular or extended work hours: Occasionally required to change working hours or work overtime.

DESIRABLE QUALIFICATIONS

Any combination of education and experience that would likely provide the necessary knowledge and abilities is qualifying: A typical way to obtain the knowledge and abilities would be:

 An Associate's degree or 60 semester units of college level course work with coursework in accounting, finance or related field and two years of responsible administrative, clerical or customer service experience related to accounting, cash management, accounts payable, accounts receivable or finance.

LICENSE CERTIFICATE REGISTRATION REQUIREMENT

- Possession of a valid California Class C Driver License may be required at the time of appointment and a driving record acceptable to the District's automobile insurance provider. Failure to obtain or maintain such required license(s) may be cause for disciplinary action. Individuals who do not meet this requirement due to a physical disability will be considered for accommodation on a case-by-case basis.
- Obtain and maintain defensive drivers training certification (training provided by the District).

- Schedules and conducts employee orientations for new hires; including preparing and processing forms for new hires; assembles new employee files.
- Coordination of benefits for employees, including explaining forms and benefit options.
- Serves as a resource for employees and managers with questions related to human resources and personnel policy.
- Assists in labor relations activities, as assigned, and provides research and reporting support to Management in the negotiations and labor relations process for all classifications of employees.
- Develop, coordinate, and manage training, safety, certification and employee development programs.

- Utilizes computer Human Resources information software system to support and conduct recruitment and selection, compensation, classification, labor relations, benefit administration, personnel actions and records, and employee development activities.
- Meets with management and committees regarding District human resource issues.
- Coordinates and manages the annual open enrollment process for employee health benefits.
- Coordinates and monitors the COBRA program.
- Coordinates and manages the District's CalPERS retirement, and deferred compensation programs.
- Processes employee transactions in the Human Resources Information System and benefit web databases.
- Maintains confidential records and responds to inquiries for the same.
- Conducts position classification studies, prepares recommendation and implementation.
- Coordinates, prepares, processes, and manages personnel and payroll records including personnel action forms, new hire paperwork, separations from service, salary changes, unemployment claims, benefit related transactions, and bi-weekly timesheets and payroll.
- Assists in the coordination of the District's personnel recruitment and selection process, including preparing job announcements, application materials, screening applications, background checks for employment candidates, scheduling and administering interviews, and establishing eligibility list.
- Maintains and updates District forms, documents, and materials needed by employees.
- Performs a variety of office support assignments including correspondence, typing, proofreading material, filing and processing information, compiling information and data for statistical and financial reports, and coding department invoices for payment.
- Performs analytical work in support of general District business.
- Assists in the development of analytical spreadsheets for management staff as needed.
- Assists in writing staff recommendations for District business.
- Assists with Audit and Budget development and preparation.
- Assists with maintenance of District Employment Webpage and employment information.
- Performs related duties as assigned.

Typical Physical Activities

- Communicates orally with District management, co-workers, subordinates, customers, contractors, vendors and the public in face-to-face, one-on-one and group settings.
- Regularly uses a telephone for communications.
- Uses standard office equipment such as computer, printer, copier and FAX machine.
- Sits at a desk or work station for extended time periods; intermittently twists to reach materials and equipment surrounding desk or work station.
- Hearing and vision within normal ranges.
- Lifts or carries weight of ten pounds or less.

EMPLOYMENT STANDARDS

Knowledge of:

- Principles and practices of public personnel administration, including employee health and welfare benefit administration.
- Laws, rules, ordinances, and legislative processes governing the development and administration of personnel and employment systems.
- Equal employment opportunity and affirmative action requirements and guidelines.
- Recruitment and selection techniques, methods, and procedures.
- Compensation and salary administration.
- Personnel policy development and implementation.
- Computer systems and software applications related to personnel and benefit administration.
- Correct English usage, spelling, grammar, punctuation, and vocabulary.
- Strong customer service techniques and skills.
- Conflict resolution and problem solving techniques and skills.

Ability to:

- Plan, organize, and assist with the development of District personnel and benefit system.
- Recommend and implement personnel policies and systems.
- Provide advice and counseling on the District personnel system and policies.
- Organize data, maintain records, and prepare reports.
- Use computer systems and software packages related to personnel and benefits administration.
- Establish and maintain cooperative working relationships with co-workers, outside agencies, and the public.
- Maintain a high level of confidentiality and understanding for need of protection of highly confidential employee and District information.

Desirable Experience and Education

Any combination of education and experience that has led to the acquisition of the knowledge, skills and the abilities as indicated below. Typical ways of acquiring the knowledge, skills and abilities are:

Experience:

- Increasingly responsible experience in personnel system development and administration, including experience with recruitment and selection, position classification, compensation development, equal employment opportunity, benefit administration, and labor negotiations. Experience in a local government or special district public sector preferred.
- Knowledge and experience using Microsoft Office Suite, with Intermediate Excel skills.

Education:

 Completion of a bachelor's degree from an accredited college or university in business administration, human resources management, or closely related field.

OR

 Completion of an Associates degree from an accredited community college in business administration, human resource management, or closely related field, and four years of relevant work experience.

WORKING CONDITIONS

Environmental Conditions

Office environment; exposure to computer screens

Physical Conditions

Essential functions may require maintaining physical condition necessary for moderate or light lifting, walking, standing, or sitting for prolonged periods of time; extensive use of computer keyboard, visual acuity for readying documents, correspondence and computer screens, operating office equipment.

SPECIAL REQUIREMENTS

- 1. Possession of a valid California Driver's License, Class C, as issued by the State of California Department of Motor Vehicles; and a driving record acceptable to the District's auto insurance provider.
- 2. Obtain and maintain defensive drivers training certification (training provided by the District).
- 3. Obtain and maintain CPR and First Aid training certification (training provided by the District).

Closing Reception

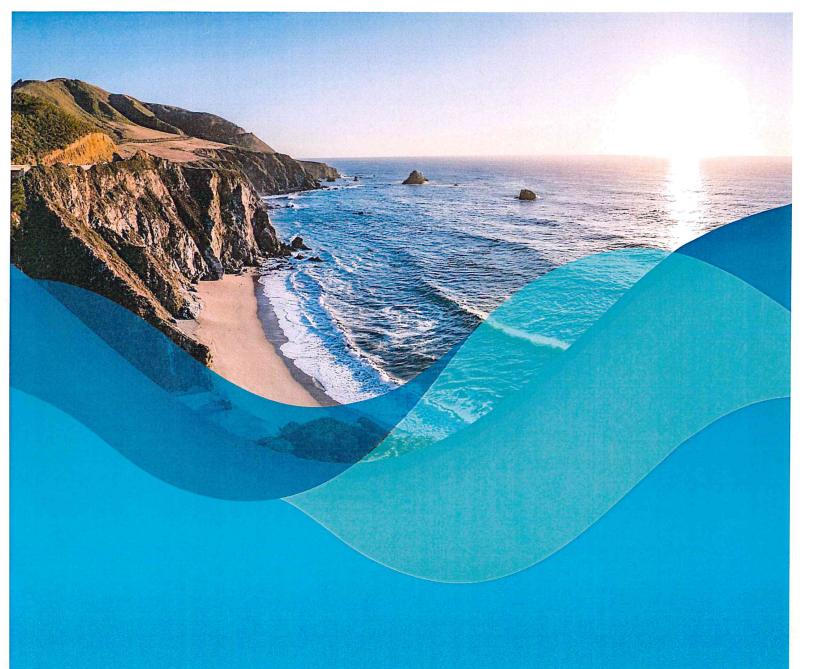

Last modified: March 21, 2023

Registration required to attend any part of ACWA's Spring Conference & Expo, including Tuesday, May 9 complimentary committee meetings.

See www.acwa.com for health & safety attendance requirements.

Agenda Item # 10

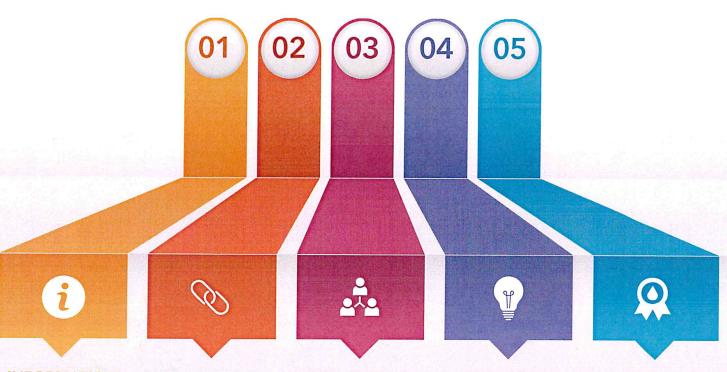

23 ACVA
SPRING CONFERENCE & EXPO

MAY 9 - 11 • MONTEREY

TOP 5 BENEFITS TO ATTENDING AN ACWA CONFERENCE

INFORMATION

Learn valuable information about a variety of local, state and federal water issues during 32 programs and keynote speakers.

CONNECTIONS

Attend Tuesday's committee meetings and Wednesday's Region meetings to increase your engagement with ACWA and hear valuable information that you can take back to your agency.

NETWORKING

Meet with your colleagues in California's water community to share ideas and best practices during the Wednesday networking lunch and Thursday networking breakfast, as well as 6 receptions.

INNOVATION

Spend one-on-one time with vendors from around the U.S. who have new and innovative products and services to offer your agency.

CEUs

Earn continuing education credits for legal, energy, financial and drinking water professionals.

CONFERENCE HIGHLIGHTS

Visit ACWA's Exhibit Hall and learn what products & services our exhibitors have to offer as well as enjoy networking opportunities like the networking lunch, receptions and exhibit hall activities.

JOIN ACWA IN MONTEREY!

The ACWA 2023 Spring Conference & Expo is set to take place May 9 - 11 at the Monterey Conference Center and surrounding hotels. Visitors from all over the world have come to appreciate Monterey County's natural beauty, historical sites, and mild climate. Explore this distinctive and diverse region. Experience the world-renowned attractions and enjoy the many wonderful restaurants and scenic diversions found throughout the county.

ACWA conferences are the premier destination for water industry professionals to learn and connect. Program offerings include statewide issue forums, roundtable talks, and region discussions along with sessions covering a wide range of topics including water management, innovation, public communication, affordable drinking water, energy, finance, federal forum, and more! **Register to join us today!**

IMPORTANT INFORMATION

Recorded Programs

Wednesday, May 10 | 6:00 PM - 7:15 PM Unwind after the education-filled day and connect with your friends and other water leaders.

CONFERENCE PROGRAMS

State Water Resources Control Board Drinking Water Contact Hours may be available for qualifying programs.

ATTORNEY PROGRAM

Wednesday, May 10 | 10:15 AM

Can We? Should We? What to Know **About Design-Build, Progressive Design-Build, and Public-Private Partnership for Water Infrastructure**

Design-bid-build is the industry standard, but can other approaches be a better fit for your next project? This panel, designed for attorneys and senior decision makers, will explain the difference between the traditional approach to contracting for construction and the newer alternatives, including approaches authorized by the Legislature in 2023. The panel will include an attorney, an owner, and an engineer/owner's advisor who will also share lessons learned on recent designbuild and progressive design-build projects, drawing on experience successfully implementing large-scale complex design-build infrastructure projects throughout the state. Our presenters will share recent experiences, creative approaches, and potential pitfalls that will help you optimize your project, or decide whether design-build or another alternative approach is right for your agency.

This program been approved by the State Bar of California for attorneys to receive general MCLE credits.

COMMUNICATIONS COMMITTEE PROGRAM

Wednesday, May 10 | 1:45 PM

Reporter's Notebook: An Insider's **Guide to Working with News Media**

Want to know how to work with reporters in 2023? We're going right to the source. A panel of working TV and print journalists from across California will go off the record, sharing valuable first-hand perspective on the state of media relations, how to cut through the noise and - most importantly - get your stories told.

JOINT ATTORNEY / STATEWIDE ISSUE

Thursday, May 11 | 10:15 AM

First Kill All The Lawyers? Varying **Perspectives on Water-Right** Modernization

Joint Attorney & Statewide Issue Program - The panel will involve presentation and discussion of perspectives on how to make the water-right system function better in light of what we've learned during the droughts of the last ten years.

This program been approved by the State Bar of California for attorneys to receive general MCLE credits.

JOINT ATTORNEY / FINANCE PROGRAM

CPAs may receive continuing education credit by attending this program.

Wednesday, May 10 | 1:45 PM

Public Finance 101: Opportunities and Considerations for Financing Infrastructure

Providing clean and safe water requires constant infrastructure improvements and capital projects. This panel will explore opportunities and legal pitfalls and considerations when considering public finance opportunities for financing capital needs including bonds, certificates of participation, State and Federal programs including the Water Infrastructure Finance and Innovation Act (WIFIA) and the Drinking Water State Revolving Fund (DWSRF), and other financing mechanisms.

This program been approved by the State Bar of California for attorneys to receive general MCLE credits. CPAs may also receive continuing education credit by attending this program.

INNOVATION PROGRAM

Thursday, May 11 | 2:00 PM

Excellence in Innovation: Water Agencies Driving California Into the Future

Water agencies throughout the state continue to implement groundbreaking and unique programs, projects and technologies that bring new solutions to the industry. Hear from agencies as they share their best-in-class innovations and discuss the resources utilized, results achieved and replicability for other agencies.

WATER INDUSTRY TRENDS

Wednesday, May 10 | 10:15 AM

Fleet Electrification: Navigating **New California Requirements for Public Water Agencies**

The panel will provide an opportunity for water agencies to hear how the latest transportation electrification regulations affect them, and steps they can take to navigate making best decisions for their fleets and compliance.

This program may count as 1.0 hour towards the Certified Energy Manager (CEM) continuing education credit.

Thursday, May 11 | 2:00 PM

The Business Proposition for **Diversity Equity & Inclusion (DEI):** What It Means in Dollars and Sense

Everyone is talking about DEI, but some are doing more than others and it's paying off. Join this session and hear from leaders and experts about why implementing DEI to business operations is critical in this new world and the cost of falling behind.

ACWA REGION MEMBERSHIP MEETINGS

MAY 10, 2023

Meetings will include:

Region activity updates

Committee updates

Statewide priorities update by ACWA leadership

Suggestion opportunities for regional activities and regional/statewide topics for the coming year

> **ALL MEMBERS WELCOME!**

ACWA is bringing back our newest opportunity to connect and learn - Round Table Discussions!

Join your colleagues in one of these topic-specific round tables to interact and exchange ideas.

Wednesday, May 10 | 1:45 PM

Removing Barriers to Groundwater Recharge

As California's climate and hydrology continue to change, capturing flood water during high flow events will become increasingly vital to maintaining reliable water supply during dry years. Join this roundtable discussion as we explore how to overcome the legal, regulatory, and logistical barriers to groundwater recharge in California.

Thursday, May 11 | 10:15 AM

How to Talk About Drought and Climate Change After a Wet Winter

Messaging matters and the industry is re-evaluating how to communicate with customers about periods of extreme drought vs long-term climate resilience. After a wet winter, how have the words, tone and key messages used to convey information to the public changed? Join this Communications Committee-hosted round table conversation to share what messaging has worked for your agency and how your message has evolved since last summer.

Thursday, May 11 | 2:00 PM

Empowering Executive Leadership

ISSUE FORUMS

State Water Resources Control Board Drinking Water Contact Hours may be available for qualifying programs.

REGION ISSUE FORUMS

Wednesday, May 10 | 10:15 AM

Wildfire Preparedness: Lessons Learned & Investments Made to Mitigate Future Risk

Presented by Region 2

This program will examine recovery efforts made by the town of Paradise since the 2018 Camp Fire and highlight both the lessons learned and investments made by the City of Paradise and Paradise Irrigation District to mitigate future fire risk.

Thursday, May 11 | 10:15 AM

Creating Win-Win Situations to Expedite Permitting Through Collaboration Presented by Region 9

East Valley Water District and San Bernardino Valley Municipal Water District share how they have expedited permitting and regulatory approvals to save both time and money on important local water supply projects. Through early and open communication with regulatory agencies, a regional habitat conservation plan, and stakeholder partnering, these agencies are creating win-win situations for water agencies and the many regulatory agencies with often conflicting requirements. The East Valley Water District's Sterling Natural Resource Center, an 8 mgd water recycling facility for local groundwater recharge, will be highlighted as a permit streamlining success story with broad support from the community and regulatory agencies.

Thursday, May 11 | 2:00 PM

Weather Whiplash: Flood Solutions for Climate Extremes Presented by Region 5

As California's coastal regions recover from a series of atmospheric river events that – amid extended severe drought – brought record rains and floods, this program will explore the effects of and planning for "weather whiplash." Panelists will discuss the impacts of recent flooding in the Bay Area and Central Coast, long-term flood solutions, and other climate adaptation strategies.

NEW THIS CONFERENCE!

Thursday, May 11 | 8:30 AM

Media Training

Whether you're the spokesperson at your agency or rarely get in front of the camera, knowing how to convey accurate and relevant information to news media is critical. This training will cover best practices ranging from interview preparation and message development to interview tactics to help lead to a positive experience.

STATEWIDE ISSUE FORUMS

Wednesday, May 10 | 10:15 AM

Show Me the Money

Investment in California's water system to address aging infrastructure, adapt to climate change and protect water quality is needed now. This panel will explore recent historic state and federal investments, how funding is getting to water agencies, and what additional funding is needed.

Wednesday, May 10 | 1:45 PM

Advancing Conveyance

Adapting to climate change requires comprehensive solutions to maintain and diversify water supplies. Repairing and modernizing conveyance across California is fundamental to moving collected and stored water, connecting suppliers with different supply sources, transferring water, recharging groundwater and storing water for multiple purposes for long-term resilience. This panel will explore diverse conveyance efforts throughout the State and the associated benefits, challenges and lessons learned.

FEDERAL ISSUE FORUM

Wednesday, May 10 | 1:45 PM

Panelists from various federal agencies that focus on California water priorities will discuss such topics as Bipartisan Infrastructure Law implementation, drought and disaster preparedness and response.

Check the ACWA website for updated conference information.
